

COZY UP WITH A BOOK

Fall is officially here and the days are getting shorter – a perfect opportunity to grab a pile of books or movies & settle in.

We hope the start of school has been an easy transition for you and your students. The library is here to help in any way we can. Need a book, article or assistance with a database? Give us a call or email us and we'll be happy to help. Don't forget we are still offering no-contact holds and our new Book Bundles service!

Keep an eye on our calendar, Facebook & Instagram page for all the wonderful STEM, art, & craft kits coming up. In addition to these kits we are also offering a new Teen Book Loot subscription box for grades 6 to 12. Each month, your teen will receive a library book, a free book to keep and a variety of other loot to enjoy.

The first of a new monthly Trivia night is coming up this October. Grab your family or friends and join us for this fun virtual event. October's trivia will focus on Halloween-related movies, books and general knowledge.
